

because they're more than just pets™

DE-SKUNK

SAFE TO USE ON PETS, CARPETS AND FURNITURE.

Every pet owner in skunk-prone areas should have De-Skunk® in their home!

ODOR DESTROYING SHAMPOO

ALCOHOL-FREE

NON-ACIDIC

NON-CAUSTIC

DE-SKUNK®'S active ingredients break down and dissolve volatile sulfur compounds—the source of the skunk's horrible scent.

De-Skunk® is applied in the same manner as a regular shampoo; simply wet the dog or cat, apply De-Skunk® from head-to-tail and massage deeply into coat and skin. After leaving De-Skunk® on the pet for 3 to 5 minutes, rinse and repeat.

DE-SKUNK

ODOR DESTROYING SHAMPOO

The longer the sulphuric skunk spray (mercaptan) remains on the animal, the more difficult it is to remove.

Powerful on skunk odor, but gentle on pets, De-skunk shampoo will not dry or irritate your pet's coat or skin.

- Safe to use on pets, carpets, and furniture.
- Made with the world's most powerful de-greasers.

32 fl. oz.
